Board Meeting Minutes November 13, 2023

Meeting was called to order at 7:05

Approval of agenda – Kassi J. approved; passed

Adoption of the General meeting minutes from October 2 2023 – Dennis C. adopted; passed

Reports to Board and related business

1. City NPC – Stephan Horbay

- New grants were hilited
- Lifecycle quotes for the CCG grant need to be in by November 30, 2023 for this year's allocation
- The cancelled strategic planning meeting will be rescheduled. As per the City of Calgary it is overdue

2: Safety Director – Heather Jensen

• Erin Woods Crime Activity was Down in September 2023

Erin Woods Calgary experienced 3 crimes in September 2023, in comparison to 7 crimes the previous month, and 13 crimes in September one year ago. The Erin Woods community has an average of 10.8 crimes per month. On an annual basis, Erin Woods had a total of 130 crimes as of September 2023, which is down 21% in comparison to 164 crimes as of September 2022. Total Erin Woods community crimes is calculated as the sum of break & enters (dwelling, commercial, and other premises), theft from vehicles, theft of vehicles, assaults (nondomestic), commercial robberies, street robberies, and non-domestic 'other' violence.

- What else can I do to Secure My Home and Property? The Calgary Police Service encourages Calgarians to establish a 9 PM Secure Your Home and Property Routine before heading to bed. The routine recommends: Removing valuables from vehicles | Ensuring vehicles are locked, windows are closed and if possible, parked in a garage | Closing garage doors and windows | Locking any person-doors in the garage, including those leading into a house | Checking that all house doors - front, back, side and garage - are locked | Ensuring all windows are shut | Turning on an exterior light.
- Cat walks (Community Action Team) are going well. Had a couple of walks where a few issues were reported. Talked to a few homeless and told them about resources to check out for food and shelter. 12 CSI has been very successful in getting many homeless off the street. The walks will resume when weather permits.

3: 2nd Vice President and 3 Way Sign Co-ordinator – Dennis Cave

Update on Children's Christmas party

- Reached out to some community groups; none have responded back
- The Champion Life Centre has not responded yet. Shannon C. will reach out to them too.
- Rick Ryan from the Scout group will offer scouts help with the Christmas party
- Carolyn offered to pick up the groceries for the goodie bags

Update on Skating Lessons

- The lessons have been cancelled due to lack of internal support

4. Treasurer & Community Garden – John Stark – Absent

- The community garden is closed for the winter

5. ECTAS Director: - Anne Miller

- The AGM barely made quorum. The bylaws are not ready. A special resolution meeting will be held at a later date. Erin Woods will be notified of this meeting.

6: The community fridge project – Christina Y. and John Stark

- This project has been shut down at moment due to circumstances beyond our control. Once the weather improves, we will resume work on our project.

7: Rink Co-ordinator- Jonathan Masri

- Been busy putting together a team of rink volunteers. As soon as the steady, deep cold arrives the building and flooding will take place.
- Rick Ryan – the scouts need to earn their rink rat badge. They will discuss how and when the scouts can help

8: Fundraising & Grants Director- Melody H

- The Toole Peet Action Grant was applied for to offset the cost of renting the horse drawn sleigh for the Children's Christmas party
- Spoke with the grant-giver at ChangeX regarding the pause in the Community Fridge project, and they confirmed we have until March 2024 to report on any impact. I did indicate to them we would be unable to make progress on the project over the winter, so I plan to reach out to them in February 2024 to see about extending our timeframe.
- Work is in progress to get quotes for the work on the building (as indicated by the Lifecycle Plan) that we will apply to cover with the Capital Conservation Grant and the Community Facilities Enhancement Project. You can expect an email motion to be proposed once we have the quotes in place to approve going forward with the proposals.

9: Communications Director – Kassi J.

- As per a development permit sent out by the City of Calgary; there is a proposal for an A&W in the Petro Gas Station area. This could be problematic due to traffic getting in and out.
- No vote needed for Kassi and Christina to cochair organization of the community cleanup
- Kassi J. is appointed as community clean-up co-ordinator

- All preliminary tasks for the community clean-up are taken care of through the office. Kassi will be responsible to organize all volunteers for the day of the event. At least 12 volunteers will be needed. Heather J. suggested reaching out to the Rotary Club for volunteers.
- Anne M. noted that all postings in relation to the Community Centre need to be sent to Shannon C. Once the posting is put onto the Erin Woods Facebook page it will be shared to the Erin Woods residents Facebook page. Anne M. will be working on a social media policy.

10: President's report – Shannon Coleman

- Looking for Communication Director – error in Agenda. Not looking.

- Our casino dates are Sunday February 4 & February 5, 2023 at PURE Casino 1420 Meridian Rd NE (volunteers have started signing up)
- Calgary Community, and sport bingo associations. Next meeting is November 23. Hopefully our financial audit for the bingo hall will be done for this last year.

New Business:

- Heather J. mentioned that 12 CSI has several good online NFP tools
- Kayla S. resigned from the Secretary position

Meeting was adjourned at 8:35 by Anne Miller

Next General meeting: January 8, 2024 at 7:00 pm.

Good Afternoon the team at the Erin Woods Community Association ,

My name is Rachit Joshi, and I am a Financial Advisor for Servus Credit Union. Prithika Devadoss, Jessica Rudakoff, and I are tasked on reaching out to Community Associations in and around Calgary to review our Federation of Calgary Communities package. The Federation of Calgary Communities, our business banking team, and our treasury and pricing team have developed a banking package that works for non-for-profits such as your community association. As a participating community association in the federation, you will be eligible for this banking package.

I have attached the Federation of Calgary Communities Member Banking Package to review the offer but to summarize we offer the following:

- Unlimited banking transactions
- Free accounts for banking need including operating and "Casino" or "Fundraising" account.
- Interest is generated on all accounts – including operating and savings accounts.
 - o Interest rate is a custom plan at prime – 2% (5.20% as of today's value)
- All the funds in the account are 100% guaranteed.

We are also offering a promotion where if you are up to reviewing your banking plan with Servus Credit Union and if we can't beat it, we will provide you a \$500 donation to your organization.

Just to let you know what Servus Credit Union is as we are a bit of a hidden gem.

Servus Credit Union is more than just a bank. It is Canada's first province-wide credit union and provides expert financial advice. Servus members not only get the best customer service offered by financial institutions in Alberta, and they also get to share in our profits. Last year we shared over \$60 million with our members. To help you and your business succeed , Servus offers a full line of financial products and services.

PROFIT SHARE:

Profit sharing is paid to members in both cash and common shares, based on how much profit the company earns and how much its shares are worth. The Profit Share program has two parts:

- Patronage: Cash payments based on a percentage of the interest the member paid on loans and earned on deposits, plus the average balance they hold in their chequing and savings accounts.
- Common Share dividends: Common share dividends are paid as additional common shares.

Connecting City Resources

**The City of Calgary
 Community Clean up**

Application Window: The application process for participating in the cleanup program will open on *January 15th* and close on *February 15th, 2024*. We encourage you to apply early to ensure your community's participation. You will notice that the question differs from previous years. This change is to ensure that we are adequately capturing your responses in a more detailed format. The application will once again be completed via Microsoft Forms, available on our website: www.calgary.ca/cleanups

Program Duration: The cleanup events will take place from the end of April until the end of September. This extended period allows us to accommodate as many communities as possible.

Support and Resources:

1. Two information sessions in March. (Details to come.)
2. For each event, we will provide:
 - a. Three packer trucks, complete with crews.
 - b. Funding assistance for cleanup-related expenses.
3. Additional support such as Bylaw officers, Waste and Recycling Educators and more.

Please note, the events, open to all Calgarians, are designed to accept residential waste only. These cleanup activities are an excellent opportunity for Calgarians to dispose of larger items that do not fit in their waste and recycling carts. Additionally, they are particularly beneficial for residents who lack access to cart service.

	<p>Further Information: All relevant details, including application forms and guidelines, will be available on our website. We will continuously update this platform with more information and resources as the program progresses.</p>
